

TABLE OF CONTENTS

CHAPTER I: INTRODUCTION, GOALS AND OBJECTIVES

A. INTRODUCTION	I-1
1. Purpose	I-1
2. Community Opinion Survey	I-1
a. Population and Housing	I-2
b. Natural Resources	I-2
c. Transportation	I-2
d. Community Facilities	I-2
e. Historic Resources	I-2
f. Future Land Use	I-2
3. Pelham Community Profile	I-3
B. GOALS AND OBJECTIVES	I-3
1. Overall Goals	I-3
2. Population and Housing	I-3
3. Natural Resources	I-4
4. Transportation	I-4
5. Community Facilities	I-4
6. Historic Resources	I-5
7. Future Land Use	I-5

CHAPTER II: POPULATION AND HOUSING

A. INTRODUCTION	II-1
B. POPULATION	II-1
1. Historic Population Trends	II-1
2. Population Projections	II-4
3. Population Density	II-5
4. Population Composition	II-6
C. INCOME	II-6
D. HOUSING	II-7
1. Housing Units	II-7
2. Housing Type	II-8
3. Affordable Housing	II-8
4. Home Sales Costs	II-9
D. RECOMMENDATIONS	II-10

CHAPTER III: EXISTING LAND USE

A. INTRODUCTION	III-1
B. HISTORIC DEVELOPMENT PATTERNS	III-1
C. GENERAL LAND USE PATTERN	III-2
1. Residential Land Use	III-4
2. Commercial Land Use	III-4

3. Industrial Land Use.....	III-4
4. Agriculture	III-5
5. Current Use Land.....	III-5
D. PELHAM ZONING DISTRICTS.....	III-5
1. Residential District (R).....	III-6
2. Business Districts (B-1 to B-4).....	III-6
3. Rural District (Ru).....	III-8
4. Industrial Districts (I-1 to I-3).....	III-8
5. Recreation Conservation Agricultural District (RCA).....	III-9
6. Aquifer Conservation Overlay District (ACD).....	III-9
7. Wetlands Conservation District (WCD).....	III-9
8. Floodplain Conservation Overlay District (FCD).....	III-10
E. OTHER LAND USE REGULATIONS.....	III-10
1. Subdivision Regulations.....	III-10
2. Site Plan Regulations.....	III-11
F. ANALYSIS OF VACANT LAND.....	III-11

CHAPTER IV: NATURAL RESOURCES

A. INTRODUCTION.....	V-1
B. GENERAL NATURAL CHARACTERISTICS.....	IV-1
1. Topography.....	IV-1
a. Elevation	IV-1
b. Slope.....	IV-1
2. Soils.....	IV-4
a. Low Limitation.....	IV-6
b. Moderate Limitation	IV-6
c. High Limitation	IV-6
d. Agricultural Soils.....	IV-7
C. WATER RESOURCES	IV-10
1. Surface Water Resources.....	IV-10
2. Shoreline Protection Act.....	IV-13
3. Groundwater Resources	IV-13
a. Stratified Drift Aquifers.....	IV-15
b. Till Aquifers.....	IV-17
c. Bedrock Aquifers	IV-18
4. Water Supply.....	IV-18
5. Sewage Disposal.....	IV-19
6. Floodplains.....	IV-20
7. Wetlands	IV-22
8. Threats to Surface and Groundwater Resources.....	IV-25
a. Stormwater Runoff and Phase I and II Stormwater Rules.....	IV-27
b. Road Salt.....	IV-28
c. Subsurface Sanitary Waste Disposal	IV-28

d. Underground Storage Tanks.....	IV-28
9. Forests.....	IV-28
10. Wildlife and Plants.....	IV-32
a. Animals.....	IV-32
b. Birds.....	IV-33
c. Other Species.....	IV-33
d. Vernal Pools.....	IV-33
e. Plants.....	IV-33
D. EXISTING AND POTENTIAL FUTURE CONSERVATION LANDS.....	IV-34
1. Existing Conservation Land.....	IV-34
a. Land Protected through Public and Private Ownership or Zoning.....	IV-34
b. Land in "Current Use".....	IV-34
2. Priorities for Future Conservation Efforts.....	IV-37
a. The Regional Environmental Planning Program (REPP).....	IV-37
b. Potential Wildlife and Recreational Corridors.....	IV-37
c. Land and Community Heritage Investment Program (LCHIP).....	IV-38
E. RECOMMENDATIONS.....	IV-39
1. Topography.....	IV-39
2. Soils.....	IV-39
3. Water Resources.....	IV-39
4. Forests and Wildlife.....	IV-40
5. Conservation.....	IV-41

CHAPTER V: TRANSPORTATION

A. INTRODUCTION.....	V-1
B. EXISTING TRANSPORTATION NETWORK.....	V-1
1. Roadway Classification.....	V-1
2. Existing Traffic Conditions.....	V-5
3. Accidents.....	V-7
4. Pavement Conditions (Road Surface Management System).....	V-8
5. Bridge Conditions.....	V-10
6. Travel Patterns.....	V-10
C. FUTURE TRAFFIC PROJECTIONS.....	V-11
1. Estimated Daily Capacity.....	V-11
2. Weekday Traffic.....	V-11
3. 2022 Traffic Forecast.....	V-12
4. Existing Volume to Capacity Ratio.....	V-12
5. Future Volume to Capacity Ratio.....	V-12
D. TRANSPORTATION SOLUTIONS.....	V-13
1. Existing Regulations.....	V-13
2. Access Management.....	V-14
3. Community Character Guidelines.....	V-15
4. Roundabouts.....	V-15

5. Traffic Calming	V-17
6. Scenic Road Designation	V-18
E. NON-MOTORIZED TRANSPORTATION.....	V-18
1. Bicycle and Pedestrian Facilities.....	V-18
2. Public Transportation.....	V-20
F. RECOMMENDATIONS	V-20

CHAPTER VI: COMMUNITY FACILITIES

A. INTRODUCTION.....	VI-1
B. TOWN HALL FACILITIES.....	VI-1
C. LIBRARY	VI-5
D. POLICE DEPARTMENT	VI-6
E. FIRE DEPARTMENT	VI-8
F. PARKS AND RECREATION	VI-11
G. SOLID WASTE.....	VI-13
H. HIGHWAY DEPARTMENT	VI-13
I. PUBLIC SCHOOLS.....	VI-14
J. WATER SUPPLY.....	VI-15
K. SEWER.....	VI-17
L. CULTURAL/RECREATION CENTER.....	VI-18
M. REUSE OF OLD BUILDINGS.....	VI-18
N. IMPACT FEES.....	VI-18
O. RECOMMENDATIONS	VI-16
1. Town Hall.....	VI-19
2. Library.....	VI-19
3. Police Department.....	VI-19
4. Fire Department.....	VI-19
5. Parks and Recreation	VI-19
6. Solid Waste.....	VI-19
7. Highway Department.....	VI-19
8. Schools.....	VI-19
9. Water Supply.....	VI-20
10. Sewer.....	VI-20
11. Cultural/Recreation Center	VI-20
12. Re-Use of Old Buildings	VI-20

CHAPTER VII: HISTORIC RESOURCES

A. INTRODUCTION.....	VII-1
B. HISTORICAL BACKGROUND	VII-1
C. SIGNIFICANT HISTORIC RESOURCES	VII-2
D. PRESERVATION ACTIVITIES TO DATE.....	VI-3
E. PRESERVATION METHODS	VII-5

1. Historic Resources Survey	VII-5
2. State Register of Historic Places.....	VII-5
3. National Register of Historic Places.....	VII-5
4. Local Historic Districts	VII-6
5. Certified Local Government (CLG) Program.....	VII-6
6. Local Heritage Commissions.....	VII-7
7. Historic Building Rehabilitation Federal Tax Credits.....	VII-7
8. Historic Markers	VII-8
9. Easements.....	VII-8
10. Protection of Archaeological Areas	VII-9
11. Scenic Road Designations.....	VII-9
12. Innovative Land Use Controls.....	VII-10
13. Building Code Provisions.....	VII-10
F. RECOMMENDATIONS.....	VII-10

CHAPTER VIII: FUTURE LAND USE AND RECOMMENDATIONS

A. INTRODUCTION.....	VIII-1
B. PROJECTED FUTURE GROWTH	VIII-1
C. THE PREFERRED FUTURE LAND USE PATTERN.....	VIII-1
D. SUMMARY OF RECOMMENDATIONS.....	VIII-2
1. Population and Housing.....	VIII-2
2. Natural Resources	VIII-4
a. Topography.....	VIII-4
b. Soils.....	VIII-4
c. Water Resources.....	VIII-5
e. Conservation	VIII-5
3. Community Facilities	VIII-6
a. Fire Department.....	VIII-6
b. Police Department.....	VIII-6
c. Wilton-Lyndeborough-Temple Ambulance Service.....	VIII-6
d. Communications.....	VIII-6
e. Town Offices.....	VIII-6
f. Highway Department.....	VIII-6
g. Central Elementary School.....	VIII-6
h. Middle and High School.....	VIII-6
i. Town Library	VIII-6
j. Recreation	VIII-7
k. Solid Waste.....	VIII-7
4. Transportation.....	VIII-7
5. Future Land Use.....	VIII-7

CHAPTER IX: SUMMARY OF RECOMMENDATIONS

1. Population and Housing.....	IX-1
2. Natural Resources	IX-1
3. Transportation	IX-3
4. Community Facilities.....	IX-4
5. Historic Resources	IX-5

LIST OF TABLES

Table II-1: Comparative Population Growth, 1790-1990.....	II-2
Table II-2: Population Growth by Decade, 1950-2000.....	II-3
Table II-3: Population Growth, Pelham and NRPC Region, 1960-2020'	II-4
Table II-4: Population Projections, 2020	II-4
Table II-5: Population Density 1990, 2000 and 2020	II-5
Table II-6: Population by Race, 2000.....	II-6
Table II-7: Population by Age, 2000	II-6
Table II-8 Average Household Income, 1990 and 2000	II-7
Table II-9: Housing Unit Growth, 1960-2000	II-8
Table II-10: Housing Stock by Type, 2000.....	II-8
Table II-11: Housing Wage and Work Hours at Minimum Wage Needed to Afford Fair Market Rent, Lowell PMSA and State, 2000.....	II-8
Table II-12: Assisted Housing Units, 2000.....	II-9
Table II-13: Total Residential Sales, NRPC Region, 1998 and 2001	II-9
Table II-14: Average (Mean) Residential Sales Price, NRPC Region, 2001	II-10
Table III-1: General Land Use Types in Pelham	III-2
Table III-2: Undeveloped and Developable Land by Zoning District, 2002.....	III-11
Table IV-1: Perennial Streams in Pelham.....	IV-10
Table IV-2: Lakes and Ponds in Pelham.....	IV-12
Table IV-3: Very Poorly and Poorly Drained Soils in Pelham	IV-23
Table IV-4: Pelham Forest Facts.....	IV-32
Table IV-5: Conservation Priorities.....	IV-37
Table V-1: State Aid Classification Road Mileage.....	V-1
Table V-2: Roadway Functional Classification.....	V-2
Table V-5: Three Year Accident Summary (1997-1999).....	V-7
Table V-6: Bridges.....	V-9
Table V-7: Commuting to Work, 2000.....	V-10
Table V-8: Commuting Patterns from Pelham, 1990.....	V-10
Table V-9: Forecasted 2022 Weekday Traffic Volumes and Roadway volume to Capacity Volume.....	V-11
Table V-10: Minimum Access Separation Distances	V-14
Table V-11: Average Annual Crash Frequencies at 11 Intersections Converted to Roundabouts.....	V-17
Table V-12: Inventory of Pelham Non-Motorized Network	V-19
Table VI-1: Town Hall Space Needs, 2000.....	VI-3

Town of Pelham
Master Plan Update 2002
Table of Contents

Table VI-2: Library Space Needs, 2000.....	VI-4
Table VI-3: Police Department Personnel Composition.....	VI-5
Table VI-4: Police Station Space Needs, 2000.....	VI-6
Table VI-5: Fire Department Space Needs.....	VI-9
Table VI-6: Public Recreational Sites and Facilities.....	VI-11
Table VI-7: Recommended Recreational Facility Needs, 2000 and 2020.....	VI-12
Table VI-8: Existing and Projected School Enrollment Figures.....	VI-14
Table VI-9: Existing and Projected Classroom Floor Area Requirements.....	VI-15
Table VII-1: Potential Historic Sites in Pelham.....	VII-3

LIST OF FIGURES AND MAPS

Figure II-1: Population by Decade, Pelham 1790 - 2000.....	II-2
Figure II-2: Comparative Population Growth by Decade; Pelham, Region and State.....	II-3
Figure V-1: Pavement Deterioration.....	V-8
Figure VI-1: Municipal Complex.....	VI-4
Map III-1: Land Use Classes in Pelham, 2002.....	III-3
Map III-2: Town of Pelham Zoning Map (March 2002).....	III-7
Map V-1: State Aid Classification of Roadways in Pelham.....	V-3
Map V-2: Functional Classification of Roadways in Pelham.....	V-4
Map V-3: Average Daily Traffic on Pelham Roads.....	V-6
Map VI-1: Location of Existing Facilities.....	VI-2
Map VI-2: Fire Department Response Radius.....	VI-10
Map VII-1: Historic Resources.....	VII-4
