Follow up on committee member assignments:

General discussion on progress made on member research. A plan has been set and a time line for the deadline to present information to all necessary boards and have a package together to be placed on a warrant article for town meeting.

Welcomed new member Bob Lamoureux to the committee.

Discussion of site walk findings:

The committee has decided that Raymond park area has a current trail system to best suit the introduction of an OHRV package to the town.

Discussion on potential rules and regulations for an OHRV park:

The committee has a lot of ideas to make a responsible OHRV park. The committed is looking to involve parks and recs. General thoughts for the OHRV park are as follows, Fee structure, town resident passes only, hours of operation, when the park would be open and closed, rules of the park with a penalty schedule, establishing a OHRV club to assist with maintenance.

Brian Bishop made a motion to adjourn the meeting, Seconded by Mike Andre.
