In the event two or more employees have the same date of hire or entry into classification, a coin flip shall determine who is the senior employee.
- 7.3 In the event of a reduction in force it is the intent of the parties that the senior employees will be retained provided they are capable of performing the duties in question. Accordingly, employees so reduced will be permitted to displace lesser seniority employees in a lower classification provided the senior employee is qualified to perform the duties of the classification.

7.4 Employees who resign or who are discharged and whose discharge is not overturned by appropriate authority shall lose all seniority.

ARTICLE VIII Promotions and Transfers

8.1 It is agreed that the Town will utilize to the maximum extent possible the skills and talents of its employees and will normally fill position vacancies by promotion from within the Department insofar as the practice is feasible. However, the Town retains the option of choosing alternative methods of filling vacancies.

8.2 Whenever a vacancy is to be filled from within the department, the Town shall have the right to fill such vacancies on the basis of the applicant's qualifications for the position as determined by the Town in accordance with a comprehensive testing procedure. Said testing procedure shall consist of four (4) parts and each part shall count as follows:

- c. The employee initially assigned the shift which is being swapped shall be responsible for the shift being covered.

ARTICLE X Wage Rates

- 10.1 New Hires shall receive a performance appraisal at the completion of the probationary period for the purpose of achieving permanent status. - 11.4 For each hour or portion of an hour actually worked on Christmas Day, employees shall be paid at 2 X base hourly rate.

ARTICLE XII Earned Time

Earned Time is an alternative approach to the traditional manner of covering absence for vacation, personal days, sick leave, and military leave. Instead of dividing benefits into a specific number of days for each benefit, Earned Time puts these days together into a single benefit. Earned Time days can be used for a variety of purposes, including payment in cash at the time of voluntary termination. Earned

Time is available as soon as it is “earned”. The exact number of Earned Time days available each year will depend on the years of service to the Town.

PLA and DLA are discontinued, without exception, in favor of earned time and sick pool as written in the previous contract. All hours will be transferred from PLA/DLA to the respective earned time/sick pool account on a 1:1 basis. All calculations will be on a calendar year basis. At the conclusion of the calendar year, an audit will determine if the member has met minimum usage requirements and if the amount of accumulated earned time. The member may choose to shift, on a 3:1 basis, accumulated earned time into sick pool. At the conclusion of the calendar year any earned time accumulation in excess of 800 hours will be paid to the member. Payment will be made the last payday in January.

A. Coverage

1. Employees who are employed in a permanent position of at least 75 percent time are covered by Earned Time. The accrual rates are as follows:

<u>Years Service</u>	<u>Accrual Per Hour</u>	<u>Per Month</u>	<u>Annual Days</u>
0 thru 5	.092	2.0	24
6 thru 10	.111	2.416	29
After 10	.138	3.0	36

2. For purposes of this policy, years of service will be calculated in a manner identical to that used for purposes of Department Seniority (Article VII). Employees accumulate Earned Time based on regularly scheduled hours worked or in pay status up to those hours budgeted for the position (other non-status hours worked and supplemental compensation such as overtime are excluded) and on years of service to the Town.

3. Termination and Restoration of Service Credit: An employee whose break in service from the Town is less than one year will have his/her service bridged for purpose of computing earned time accrual. For breaks of more than one year an individual will earn one year credit, for each year of employment after return, until the total past credit is accrued. After five years of employment following return to work, credit for all previous service will be given.

B. Usage

Earned Days may be used any time after being earned, including during an employee’s probationary period. It is expected that all planned absences will be mutually agreed upon by the employee and his/her supervisor prior to the date of absence.

Earned Days may be used in units of one or more hours.

Minimum Usage: There is a minimum usage of Earned Days required each year. See schedule below:

<u>Years of Service</u>	<u>Minimum Usage per Year*</u>
0 thru 5 years	12 days
6 thru 10 years	15 days
After 10 years	18 days

*Computation of minimum usage will occur as of December 31st of each year. Employees with less than six months of service are exempt from minimum usage requirements

Earned days may be taken to cover absence for any reason, including illness, vacation, funeral, dentist or doctor visits, as long as the total number of days taken meets or exceeds the minimum usage as indicated above.

Days converted into the sick leave pool do not count towards minimum usage.

Earned time benefits accrue only during the initial 3 weeks (15 working days) of sick leave pool usage. Each separate use of the sick leave pool, however, provides for this continuing earning ability.

C. Sick Leave Pool

1. The Sick Leave Pool is intended to provide security, by allowing employees to “buy” insurance for extended illness, or other disability. When “buying” Pool Days employees convert Earned Days on a 1 to 3 basis. Similar to purchasing insurance, the employee may pick a given number of days to exchange for coverage in case of extended disability.

2. Pool Days are available for use only under the conditions listed below, and are not eligible for payout at retirement or termination.

- a. Use of Pool Days may begin on the sixth consecutive work day absence due to illness, injury, or other disability
- b. A physician’s report must accompany the request to use Pool Days.
- c. It is not necessary to use up all Earned Days before using Pool Days.
- d. The employee may continue using Pool Days until his/her Pool is exhausted, or until no longer disabled.
- e. Periodic doctor’s reports may be required.
- f. The maximum Pool Day accrual is 300 days (i.e., the maximum conversion of Earned Days is 100, which would convert to 300 Pool Days). If Pool Days are used, or if an employee wishes to add to his/her Pool Days, more Earned Days may be added each July (to a total of 300). Earned Time Days may not be converted to Pool Days at any other time.
- g. An exception to 2a. above regarding use of 5 Earned Days to access the Sick

Leave Pool may be granted when:

- An employee returns to work after using sick pool days but is disabled again within 10 working days of return.
- The disability is from the same cause as the original sick pool usage.
- The disability is certified by a physician to be the same as the original use.
- Under these circumstances, the Board of Selectmen may grant an exception to the 5 Earned Time Day requirements.

D. Termination

1. Earned time is paid at the rate of base pay at the time of Termination.

ARTICLE XIII Bereavement Leave

13.1 Bereavement leave with pay up to three (3) working days between the date of death and date of the funeral, inclusive, shall be granted to an employee in the event of the death of his/her:

Spouse	Father	Mother	Grandmother
Sister	Brother	Child	Grandfather
Mother-in-law	Father-in-Law	Step Child	Step Parent

Relative or ward domiciled in the employee's household.

13.2 In the event of death of a person not specified in Section 13.1 above, but who is related to the employee either by blood or marriage, excluding cousins, the employee shall be granted one (1) day of leave on the date of the funeral.

ARTICLE XIV Union Leave

14.1 A reasonable number of employees who act as representatives of the Union shall be given a reasonable opportunity to meet with the Town or its representatives during working hours without loss of compensation or benefits. An aggrieved employee or a Union representative may present a written grievance to the Town or its representative during working hours without loss of compensation or benefits.

14.2 Two (2) Union employees shall be granted a leave of absence with no loss of pay, not to exceed one (1) work day each per year, if elected as delegates to attend either the AFSCME International Convention, New Hampshire Public Employee's Council #93 Convention or the New Hampshire State Labor Council Convention.

ARTICLE XV Unpaid Leave of Absence

15.1 A. Employees are allowed up to twelve (12) weeks of leave without pay, in each twelve (12) month

period, for reasons provided for under the Family Leave Act of 1993 (FMLA) i.e. (a) the birth of the employee's child, (b) the placement of a child with the employee for adoption or foster care, (c) caring for a spouse, child or parent in the event of a serious health condition, or (d) inability of the employee to perform the functions of his or her job because of a serious health condition. All definitions within this section shall correspond to those in the Act and its regulations.

- B. To the extent possible the portion of extended leave of absence (FMLA) taken for the reasons cited in Section A above shall be charged to available Earned Time. Such Earned Time shall, be used from the on-set of the extended leave of absence (FMLA). Sick Leave Pool Days may also be available under the conditions described in Article XLI Sec. C.2.
- C. During the twelve (12) week period of leave, the employee's insurance benefits will be maintained in a manner identical to that in effect for "active" employees and the employee's service credit and position will not be affected by such leave.
- D. After twelve (12) weeks has elapsed, the employee's employment status will be continued by:
1) return to duty, 2) medical evidence clearly stating the employee's inability to return to assigned duties and the use of benefits provided for in this Agreement.
- E. The twelve (12) month period, for purposes of FMLA calculation, shall be the anniversary date of the initial granting of leave of absence under the Act and this Article of the Agreement.

15.2 Employees injured in the course of their work are eligible to make application for Worker's Compensation insurance. If the injury causes lost time, the employee will continue to receive payment from the town under compensated absence (i.e. the first five days will be charged to the employee's earned time and after five days will be paid under sick pool). This practice will continue until disposition is made by the Worker's Compensation insurance carrier.

If the case is denied, the employee may continue to receive compensated absence benefits under the contract provisions.

If the case is approved under Worker's Compensation, the employee will begin to receive payments from the insurance provider in accordance with State Statute. The town will provide a check for the difference between what is received on a tax free basis from the insurance provider and the gross payment they would normally receive in their regularly scheduled work week. From that town payment, deductions will be taken (in order) taxes, retirement, medical & dental and any Union dues. The compensated absence time will be reinstated to the employee's account should they choose to purchase it with retroactive payments made by the insurance carrier. In no instance shall any employee receive less than one hundred dollars (\$100) per week.

ARTICLE XVI Grievance Procedure

- 16.1 A grievance is an alleged violation, misinterpretation, or misapplication of any provision of this agreement.
- 16.2 A grievance to be considered under this procedure must be initiated in writing by the employee within seven (7) business days of its occurrence or from the time the employee knew or should have known of its

occurrence. The following matters are excluded from the Grievance Procedure:

- a. Any matter for which a specific method of review is prescribed by law.
- b. Any matter which according to law, is beyond the scope of the authority of the Town Administrator or limited to the unilateral action of the Town Administrator alone.
- c. Any grievance for which the grievant or grievants or organization representing such grievants has not in writing waived the right, if any, to submit the grievance to any other administrative or judicial tribunal.

16.3 Failure by the Town Administrator or his/her agent to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure of the grievant in any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed a waiver of future appeal of the decision, and will be considered acceptance of the decision rendered.

16.4 No reprisals of any kind will be taken, by the Town Administrator or employees, against any party in interest or other participant in the grievance procedure. Any party in interest may be represented by counsel.

16.5 An individual member of the bargaining unit may present an oral grievance to his employer without intervention of the exclusive representative. Until a grievance is reduced to writing, the Union shall be excluded from a hearing if the employee so requests; but any resolution of the grievance shall not be inconsistent with the terms of this agreement.

16.6 Procedure

Step 1 --- Any employee who has a grievance shall submit it first in writing to the Chief in an attempt to resolve the matter. The grievance must: (a) specify the person allegedly causing the grievance; (b) the time and place of the action being grieved; (c) the nature of the grievance; (d) the language of this agreement which has allegedly been violated or misapplied; (e) the specific injury or loss which is claimed; (f) the remedy sought.

The Chief shall hold a hearing within seven (7) business days of receipt of the written grievance and shall render a decision no later than fourteen (14) business days following receipt of the written grievance.

Step 2 --- If the grievance is not resolved to the grievant's satisfaction at Step 1 an appeal may be filed with the Town Administrator in writing within seven (7) business days of the receipt of the decision at Step 1. All documentation presented at Step 1, along with Step 1 decision shall accompany the appeal to the Town Administrator. The Town Administrator shall hold a hearing within thirty (30) days of the receipt of the appeal from Step 1 and shall render a written decision no later than fifteen (15) days following the hearing.

Step 3 --- If the employee or the Union on behalf of an employee is not satisfied with the decision of the Town Administrator, he/she may file, within ten (10) workdays following the Town Administrator's decision, a written appeal with the Board of Selectmen setting forth specific

reasons why the employee or the Union believes the Agreement is being violated by the Town action in question. Within thirty (30) workdays following receipt of the appeal the Board of Selectmen shall either issue a written decision or schedule a hearing. Said hearing shall be held no later than thirty-five (35) workdays following receipt of the appeal and written decision shall be rendered within five (5) workdays thereafter. These time frames may be extended by mutual agreement.

Note: If the Union is not satisfied with the disposition of the grievance or no decision has been rendered by the Board of Selectmen within forty (40) working days after they received the grievance and prior to submission of the grievance to arbitration representatives of the Union and management may, by mutual consent, meet to determine if the grievance can be settled without arbitration.
