2nd Alarm Building Fire 556 Mammoth Road 8/17/2009

On Monday August 17, 2009 at approximately 18:11 hours the Pelham Fire Department was dispatched in the area of 556 Mammoth Road for the report of a Building Fire. Engine Company 3 was en route to the scene and was updated from Fire Alarm that the homeowner lacerated his arm trying to break a window and was bleeding; with this information crews responding requested the aid of a Hudson Fire Department Ambulance to the scene. Pelham Police arrived on scene and gave a report to Fire Alarm of heavy black smoke coming from the building. Company 3 gave the orders for the Working Fire to be struck at that time. Engine Company 3 arrived on scene to find a Mobile Home with smoke and fire showing from the rear of the building and ordered a 2nd Alarm to be struck. Mutual Aid was received from Windham, Hudson, Litchfield, and Salem to the scene. Crews worked diligently and expediently to put the fire out. The fire was under control at approximately 18:41 hours with the homeowner being transported to a local Medical facility by the Hudson Fire Department. During the fire Mutual aid station coverage was received from the Londonderry and Derry Fire Departments to cover the Town of Pelham while crews were tied up. The cause of the fire is still under investigation and other than the homeowner no other civilians or Firefighters were injured during the blaze.
