Working Fire 220 Mammoth Road 2/4/2009

Call for the Building Fire at 12:44 at this location, on arrival heavy fire and smoke pushing out of the back of the garage, Working Fire struck. Company 3 from Pelham pushed the fire into the rear and knocked down the heavy fire, the call was placed under control at 14:02. Crews from Hudson and Windham helped in the effort to extinguish the blaze as Salem and Dracut companies covered the town while the incident was on going. E-1, R-1, and A-1 could not respond to the fire due to the lack of manpower.
