## PELHAM POLICE DEPARTMENT SENIOR CITIZEN CHECK-IN PROGRAM

To participate in this program, we ask that you follow the instructions below and return the application to the Records Division at the Pelham Police Department as soon as possible. Once your request is processed, you will be notified of the starting date. If you have questions regarding this program, please call 635-2411, and an officer will assist you.

1. Complete the application form, providing us with as much information as possible. The application form can be mailed to applicants, picked up at the Police Station, or downloaded from our website at [www.pelhampolice.com](http://www.pelhampolice.com) under Elderly Check-In Program.
2. Do not begin the program (calling in) until you have been contacted by the Pelham Police Department to do so.
3. Once you have been contacted to do so, you will call our Communications Center

**EVERY DAY BETWEEN 7:00 AM AND 11:00 AM at the following number: (603) 635-3151**

For **NON-EMERGENCY** police business 24 hours a day, please call the Police Station number at: **(603) 635-2411**

**FOR ANY POLICE, FIRE, OR AMBULANCE EMERGENCY, CALL 911**

4. When making your daily call-in, simply tell the dispatcher your name and that you are safe and well.
5. Please notify the Communications Center 24 HOURS in advance if you are going to be away and not calling in on a specific day or time. They will need to know how long you will be gone and the exact date you will be resuming the program.
6. If we do not hear from you by 11:00 AM on any day you participate in the program, we will first phone your home. If you do not answer your phone, we will send a Police Officer to your home to ensure you are safe and well. If the Officer is unable to contact you after knocking on your door or ringing your doorbell several times, we may need to access your home.
7. The program is completely voluntary, and you may discontinue the program at any time by calling the Records Division at (603) 508-3010 and stating that you no longer wish to be in the program.

We are happy to provide this service to you, and it is our hope that this program will contribute to your safety and well-being as well as give you peace of mind that if something were to happen, we will be there to check on you.
