Dear Parents,

Welcome to Pelham Parks and Recreation **Tot Summer Camp**! Our director and staff are committed to providing a safe, nurturing and fun environment for every camper.

We're excited for the upcoming season, which will include a mix of favorite activities and new experiences such as arts and crafts, games, special events, guest visitors, and age-appropriate enrichment designed to encourage creativity and confidence.

We are thrilled to welcome **Sean St. Pierre** as our new Tot Camp Director! Sean has worked closely with our former director for several years and has already built strong connections with many campers. His experience and dedication make him a wonderful leader for Tot Camp. There will be college and high school aged counselors assisting our Tot Camp Director. The camp is overseen by the P&R Director, Brian Johnson and the Recreation Program Director, Janine Cabral. All staff is CPR and 1st Aid Certified.

Tot Camp is open to Pelham residents only and will run rain or shine on Tuesdays and Thursdays from July 7 through August 13, 2026. Camp Hours are 10:00a.m. to 2:0

Op.m. Campers will receive camp T-shirts on the first day. A weekly activity calendar will be shared and may be adjusted due to weather or special circumstances.

We look forward to a fun, engaging, and memorable summer with your child.

Arrival and Departure Procedures

Morning drop off and afternoon pick up will take place through a carpool line. When arriving at the lodge, please stay to the left, travel down the dirt road, and loop around to the paved area in front of the lodge to form two lines. Staff will be there to guide you.

During morning drop off a counselor will come to your vehicle assist your camper out of the car and walk them safely into camp.

On the first day of camp, each parent/guardian will receive a folder labeled with their camper's name. This folder must be displayed on your dashboard or held up to your window during afternoon pick up to help staff quickly identify each camper and keep dismissal running smoothly.

A counselor will escort your camper to the vehicle; however, staff are not responsible for buckling children into car seats, boosters or seat belts.

This system is in place to ensure a safe and efficient drop-off and pick-up process each day. No child will be released to an unknown or unauthorized individual

This summer will feature weekly themes, hands-on activities, music and movement, science, storytelling, outdoor fun, and special guests-all in a warm, supportive setting. We are also excited to welcome teen Counselors-in-Training who will assist our campers throughout the season.

Please don't hesitate to contact us with any questions. We're looking forward to an exciting, fun-filled summer.

Warmly,
Pelham Parks & Recreation & Tot Camp Staff
