***Solicitation for Letters of Interest
Town of Pelham, New Hampshire
Engineering Services for the Replacement of Bridge No. 105/069
Willow Street over Beaver Brook***

The Town of Pelham, New Hampshire is seeking Letters of Interest from qualified engineering consulting firms interested in providing design, permitting, bidding and construction engineering services for the replacement of the Willow Street Bridge over Beaver Brook. Letters of Interest shall be limited to a single side of one (1) 8½" x 11" page (12 pt. font) and shall indicate the following:

- The firm's interest in providing the services.
- The firm's Project Manager to be assigned to the project. The assigned Project Manager must be certified through the NHDOT Local Public Agency (LPA) training program.
- The firm's experience with the NHDOT Municipally-Managed Bridge Aid Program.

The project is anticipated to require the following expertise: topographical survey, soil borings, hydrology and hydraulic analysis, bridge design, roadway design, cost estimating, investigation into existing historical or archaeological resources and environmental permitting.

Letters of Interest are due to the Town no later than September 6, 2013 at 4:00 PM to the following address:

Town of Pelham
Mr. Thomas Gaydos, Town Administrator
Engineering Services for Willow Street Bridge
6 Village Green
Pelham, NH 03076

Upon receipt of the Letters of Interest, the Town intends to shortlist three (3) to five (5) firms for preparation of Technical Proposals.
