Re: 2013 Paving and Crack-Sealing bid awards

I recommend that the Board of Selectmen award the paving bid, which includes paving, tack coat and Cape Cod berm and road milling to PJ Keating Co. of Lunenburg, MA. I also recommend the crack sealing bid award to Crack-Sealing Inc. of Taunton, MA. These are the low bids on both items.

The paving is recommended to go to PJ Keating Co. because when all four items are considered, they are the lowest bidder.

Please see the attachment.

The three bids for crack sealing are as follows:

Crack Sealing Inc. - \$7.60 per gallon

Ann Seal Inc. - \$13.47 per gallon

Superior Sealcoat Inc. - \$8.19 per gallon
