Request for Road Bid for Town of Pelham Forestry Lands

Project Name: *Little Island Pond Timber Harvesting Access Road*

Showing Date: 8AM, Monday, June 4, 2007 (following Gumpas Pond showing)

Showing Location: McDonald's on Rt 3A in Hudson, NH across from Walmart

Bid Due Date: 5PM, Thursday, June 14, 2007

Terms of the Bid

The Town's Agent for this bid will be Bay State Forestry Service.

Bidder must present proof of valid Worker's Compensation and Liability insurance.

Contractor must be present at the showing in order to bid.

Bidder must notify Agent 1 week in advance of starting job.

Agent must deem that construction is satisfactory before payment will be authorized.

Payment will be made within 30 days after completion of job.

No work to be done on Sundays or between 8PM-7AM.

Job is to be completed by July 31, 2007.

Job Spec's

The landing will be cleared, stumped, and rough-graded. A forestry access road is to be constructed from the end of Nature's Way cul-de-sac into the woods to the designated landing area. Stumps are to be spread out on the low side of the landing. Note the following minimum specifications for road-building:

- a) 1 - 15-yard load of 3" minus stone at edge of pavement
- b) 1 - 15-yard load of #9 stone for stone ford, installed per BMP spec's
- c) 1 - 15"x20' double-wall plastic culvert, installed with headers
- d) at least 90 yards of bank-run gravel for the access road
- e) trees to be cut may be removed, or piled on landing at the end of the job, but tops must be broken down and lopped to a height of no more than 3 feet.
- f) large boulders to be placed at the edge of the tree line to block off the road
