## **1. REQUEST FOR BIDS**

Sealed proposals for the Town of Pelham (hereafter referred to as the Town or the Owner), Roadway Pavement Management Projects will be received at the office of the Selectmen, 6 Village Green, Pelham, NH until 4:00 p.m. Eastern Daylight time on Thursday, April 18, 2024. All bids will be publicly opened and read aloud at the Pelham Highway Dept, 33 Newcomb Field Parkway, Pelham, NH Friday, April 19, 2024, at 10:00 a.m. All bids must be submitted in a sealed envelope(s) bearing on the outside, **“HIGHWAY BIDS” OR THEY WILL BE DISQUALIFIED.**

Each bidder must deposit with this bid, a bid security in the amount of \$ 500.00. A performance/payment bond, in the amount of 100% of the contract price, executed by a surety company licensed to do business in New Hampshire will be required of the successful bidder prior to starting the work.

The work will commence on the date which will be specified in the Notice to Proceed. All work shall be completed by the date specified in the Notice to Proceed. Liquidated damages as set forth in the Contract Documents will be assessed for each and every calendar day of delay in the completion of work.

## **2. QUALITY OF WORK**

There are no accurate estimates of the quantities of work to be performed under this contract, and any variation in quantities shall not be as valid grounds for any claim for damages or loss of profits or change orders. The Town specifically reserves the right to contract any quantity of item if desirable, to keep expenditures within available funds. The quantity of work as given for each item in the proposal attached thereto are only approximate and are assumed solely for the comparison of proposals.

## **3. SELECTION OF BIDDER**

All decisions in reference to the bidding and the selection of the Contractor will be made by the Board of Selectmen or an authorized agent. The Town reserves the right to reject any and all bids or any portion of any bids or to waive any bid formality deemed in the best interest of the Town. The Town reserves the right to award any selected bid items from various contractors. No bidder may withdraw their bid within sixty (60) days after the date of opening thereof.

## **4. SIGNATURES OF BIDDERS**

The firm, corporate or individual name of the bidder must be signed by the bidder in the space provided for the signatures on the proposal blank. In the case of a corporation, the title of the officer signing must be stated, and such officer must be thereunto duly authorized. In the case of partnership, the signature of at least most of the partners must

follow the firm name using the term “member of the firm”. In case of any individual, use the term doing business as...” or sole owner”. The bidder shall further state in his proposal the name and address of each person or corporation interested therein.

## **5. QUALIFICATIONS OF BIDDERS**

The Town may make such investigations as it deems necessary to determine the ability of the bidder to perform the work, and the bidder shall furnish the Town all such information and data for this purpose as the Town may request. The Town reserves the right to reject any bid if the evidence submitted by, or investigation of, such bidder fails to satisfy the Town that such bidder is properly qualified to carry out the obligations of the Contract and to complete the work contemplated therein. Conditional bids will not be accepted. No award will be made to any BIDDER who cannot meet all the following requirements:

- A. They shall not have defaulted on any contract within three years prior to the Bid date.
- B. They shall maintain a permanent place of business.
- C. They shall have adequate personnel and equipment to perform the work expeditiously.
- D. They shall have suitable financial status to meet obligations incident to the work.
- E. They shall have appropriate technical experience in the class of the work involved.
- F. They shall not have failed to perform satisfactorily on contracts of a similar nature.
- G. They shall not have failed to complete previous contracts on time.
- H. They shall have a minimum of five (5) years’ experience in this business.
- I. They shall have completed a minimum of three (3) similar projects.

## **6. DISQUALIFICATION OF BIDDERS**

More than one proposal from an individual, a firm or partnership, a corporation, or an association under the same or different names, will not be considered. Reasonable grounds for believing that any bidder is interested in more than one proposal for the work contemplated will cause the rejection of all proposals in which such bidder is interested. Any and all proposals will be rejected if there is a reason for believing that collusion exists among the bidders, and all participants in such collusion will not be considered in future proposals for the same work. Proposals in which the prices obviously are unbalanced may be rejected.

## **7. INTERPRETATION**

All questions about the meaning or intent of the Contract Documents shall be submitted to the OWNER in writing. An interpretation of questions which, in the OWNER’S opinion, require interpretation will be issued by Addenda mailed by certified mail with return receipt requested to all parties recorded by the OWNER as having received the Bidding

Documents not later than 5 days prior to the date set for opening Bids. Questions received less than 6 days prior to the date of opening of Bids will not be answered. Only questions answered by formal written Addenda will be binding. Oral and other interpretations or clarifications will be without legal effect.

#### **8. CONDITIONS OF WORK**

Each bidder must inform himself fully of the conditions relating to the construction and labor under which the work will be performed. Failure to do so will not relieve a successful bidder of their obligation to furnish all material and labor necessary to carry out the provisions of the Contract Documents and to complete the contemplated work for the construction set forth in their bid. Insofar as possible, the CONTRACTOR, in the carrying out of their work, must employ such methods or means as will not cause any interruption of or interference with the work of any other contractor.

The CONTRACTOR shall keep themselves fully informed and comply with all the laws, ordinances, and regulations of the Federal, State and Municipal Governments in any manner affecting their employees, or the conduct of the work, or the materials used or employed in the work.

#### **9. SUPERINTENDENCY BY CONTRACTOR**

Except where the CONTRACTOR is an individual and gives their personal superintendence to the work, the CONTRACTOR shall have a competent superintendent, satisfactory to the TOWN, on the work at all times during working hours, with full authority to act for them. The CONTRACTOR shall also provide adequate staff for the proper coordination and expedition of their work.

#### **10. BID SECURITY**

Each bid must be accompanied by the bid bond or certified treasurer's or cashier's check of the bidder in the amount of \$500.00. Such bonds or checks will be returned to all except the three lowest formal bidders within 15 calendar days after the formal opening of bids, and the remaining checks will be returned promptly after the TOWN and the accepted bidder have executed the contract, or if no contract has been executed, within 90 calendar days after the date of the opening of bids, upon demand of the bidder at any time thereafter, so long as they have not been notified of the acceptance of their bid.

#### **11. LIQUIDATED DAMAGES FOR FAILURE TO ENTER INTO CONTRACT**

The successful bidder, upon their failure or refusal to execute and deliver the contract and bond required within ten (10) calendar days after they have received notice of the acceptance of their bid, shall forfeit to the TOWN, as liquidated damages for such failure or refusal, the security deposited with their bids.

## **12. DETERMINATION OF LOW BIDDER**

Bids will be compared based on the unit bid price and approximate quantity. The Town reserves the right to select the bid that best meets the Town's needs as determined by the Board of Selectmen or its authorized agent. While price would be a substantial factor in the Selectmen's or its authorized agent's decision, the Town reserves the right to select a contract without the lowest cost proposal. All items will be awarded as on contract.

## **13. AWARD OF THE CONTRACT**

Notice of the acceptance of this proposal will be given to the successful bidder by the TOWN by posting a registered letter to the address stated in said proposal.

## **14. SECURITY FOR FAITHFUL PERFORMANCE AND PAYMENT**

Prior to starting the work, the successful bidder must deliver to the Town an executed bond as security in the amount of (100%) one hundred percent of the contract price, as security for the faithful performance of their contract and the payment of all persons performing labor or furnishing materials in connection therewith, prepared in the form of a performance & payment bond attached hereto, and having a surety thereon such surety company or companies are as approved by the TOWN, and as are authorized to transact business in the State of New Hampshire. Such bond shall acknowledge and permit use and occupancy of the project or any portion thereof prior to formal acceptance by the TOWN.

Attorney in fact and/or other officer who sign contract bonds must file with each bond a certified copy of their power of attorney to sign said bonds.

## **15. COMMENCEMENT AND COMPLETION OF WORK**

The CONTRACTOR shall commence work under this contract as specified in the notice to proceed at those locations specified by the Town. The work shall be completed by the date specified in the notice to proceed.

## **16. LIQUIDATED DAMAGES FOR FAILURE TO COMPLETE WORK**

Liquidated damages in the amount equal to two hundred (\$200.00) dollars plus engineering charges for each calendar day of time consumed in completing the work under this contract beyond the time set in the notice to proceed.

## **17. ASSIGNMENT**

No assignment by the CONTRACTOR of any contract of any part thereof any monies due or to become due thereunder, may be made without the prior written approval to the TOWN, and then only after the surety company has been given due notice in writing of such assignment, and approves in writing.

## **18. LIABILITY INSURANCE**

The CONTRACTOR shall take out and maintain during the life of the contract such workmen's compensation and comprehensive general liability coverage insurance as shall protect them and any subcontractor performing work covered by this contract, from claims and damages for personal injury, including accidental death, as well as from claims for property damage, which may arise from operations under this contract, whether such operations by themselves or by any subcontractor or by anyone directly or indirectly employed by either of them. All policies must allow use and occupancy of the project or any portion thereof prior to formal acceptance by the TOWN.

## **19. SOCIAL SECURITY ACT**

The contractor shall be and remain independent contractor with respect to all services performed hereunder and agrees to and does hereby accept full and exclusive liability for the payment of any and all contributions or taxes for social security unemployment insurance, or old age retirement benefits, annuities now or hereafter imposed or other remuneration paid to persons employed by the contractor on work performed under the terms of this contract, and further agrees to obey all lawful rules and regulations and to meet all lawful requirements which are now or hereafter may be issued or promulgated.

## **20. CONTROL OF POLLUTION DUE TO CONSTRUCTION**

During construction, the contractor shall take precautions sufficient to avoid the leaching runoff of polluting substances such as silt, clay, fuels, oils, bitumen's, calcium chloride and any other polluting materials which are unsightly or which may be harmful to humans, fish, or other life, into groundwater and surface waters of the State.

## **21. SAFETY & HEALTH REGULATIONS**

This project is subject to all safety and health regulations (CFR 29 part 196 and all subsequent amendments) as promulgated by the US Department of Labor on June 24, 1974. CONTRACTORS must become familiar with the requirements of these regulations.

## **22. NONDISCRIMINATION IN EMPLOYMENT**

Contracts for work under this proposal will obligate the contractors and subcontractors not to discriminate in employment practices.

## **23. ALTERNATES, SUBSTITUTIONS AND CONTRACTOR'S OPTIONS**

Whenever in the plans and specifications any item or equipment or material is designated by reference to a particular brand, manufacturer, or trade name, it is understood that an approved equal product, acceptable to the TOWN, may be substituted by the bidder or the contractor.

In the event of acceptance of any alternative or substitution, it shall be the responsibility of the contractor to coordinate such alternate or substitute items with all other items to be furnished, to assure the proper fitting together of all items. Any additional cost incident to the coordination and/or fitting together with alternate or substitute items shall be borne by the contractor at no extra cost to the Town. Similar responsibility applies to items which are left to the contractor's option.

#### **24. TECHNICAL SPECIFICATIONS**

The technical specifications for this project are, unless specifically stated otherwise, based upon the New Hampshire Department of Public Works and Highways latest edition of "Standard Specifications for Road and Bridge Construction". Bidders are required to have a copy of the latest edition thereof and are responsible for being thoroughly familiar with them. Copies may be obtained from the Department Offices at the John O. Morton Building, Hazen Drive, Concord, NH.

#### **25. PRE-CONSTRUCTION CONFERENCE**

The contractor shall not commence work until a conference has been held at which representatives of the contractor and the owner are present.

Doing business, a

\*Insert "a corporation, " "a partnership, " or " an individual, " as applicable.

To the Town of Pelham, New Hampshire (hereinafter called "OWNER"): in compliance with your invitation for bids, bidder hereby proposes to perform all work for the

Town of Pelham, New Hampshire, in strict accordance with the contract documents, within the time set forth therein and at the price stated below.

By submission of this bid, the bidder certifies, and, in the case of joint bid, each party thereto certifies as to their own organization, that this bid has been arrived at independently, without consultation, communication or other agreement, as to any matter relating to this bid, with any other bidder or with any competitor.

The bidder declares that no person in the employ of the owner has pecuniary interest in this proposal or in the contract for the work which they proposes to do, that they have carefully examined the contract and specification and has informed themselves fully regarding all conditions pertaining to the site where the work is to be done and has carefully estimated the work. They understand that the owner, it's agent and employees, are not to be in any manner held responsible for the accuracy of, or bond by, any estimates or plans or locations of underground structures relating to the work and that if any have been given or made, they are to be considered solely as a base for filling out and comparing the several proposals.

The bidder proposes to furnish all the labor, equipment and materials required for carrying out the work in accordance with the accompanying specifications and drawings for the sum specified herein, subject to additions and deductions according to the specifications, and in all respects according to the terms thereof.

The bidder hereby agrees to commence work under this contract on or before the date specified in the notice to proceed and to complete the project before or on the date in the notice to proceed. Bidder further agrees to pay, as liquidated damages, the sum of two hundred dollars (\$200.00) for each consecutive calendar day thereafter.

The bidder proposes and agrees that within 10 days next after the day on which the notice of award of this contract shall be given to them or mailed to them at the address

hereinafter given, they will sign three (3) copies of the agreement in the form provided and deliver the agreement to the owners.

Prior to delivery, the bidder shall provide the owner with three (3) copies of performance/payment bond and three (3) certificates of insurance for the prescribed amounts.

- 17. WASTE MATERIAL DISPOSAL**
- 18. ATTORNEY'S FEES AND COSTS**

## **1. GENERAL**

The subject roadway may be closed to two-way traffic during regular work hours: (7:00 a.m. to 3:00 p.m.) but must be opened to two-way traffic each night and all weekend. One-way traffic must always be maintained.

The contractor shall limit their use of the project premises for work, for storage, and for access to allow normal public use after normal work hours and all weekend and State Holidays.

The contractor shall coordinate their work with the owner's Highway Department. The contractor shall supply emergency numbers for 24-hour contact.

All work shall be constructed in accordance with these contract documents, and the State of New Hampshire Department of Transportation standard specifications for Highway and Bridges, most current edition. Local regulations shall take precedent over State specification, should any conflict be noted. All work listed in these general conditions shall be included in and incidental to the contractor's single bid item price.

## **2. PAYMENTS**

Partial payments shall be made monthly, as the work progresses. All partial payments shall be subject to correction in the final payment.

## **3. QUALITY CONTROL**

It is the owner's intent that all work shall be in compliance with Town regulations and/or State of New Hampshire, Department of Transportation, standard specifications or Highways and Bridges, most current edition.

## **4. MAINTENANCE OF TRAFFIC**

It shall be the contractor's responsibility to provide and maintain safe and passable traffic accommodations for public and private travel; prevent dust nuisance; furnish, erect, maintain and remove construction signs, barricades, delineators, lights, flashers, and other warning devices used to delineate the construction zone and notify the motoring public of its approach. The sign package shall be proposed by the contractor but must be approved by the owner before work may begin.

Additionally, it will be necessary to employ 1 to 2 Pelham Police Officers during certain phases of the construction project. The contractor shall arrange for obtaining and paying the Police Officers. The owner shall determine the number of Police Officers.

All work, labor, and material necessary to maintain traffic to the satisfaction of the owner, shall be incidental to the single unit bid item cost.

## **5. ACCESS**

Notification to the owner of any and all road closure times is mandatory. It is requested that full road closure be kept to as short a duration as possible. No full road closure of greater than a few minutes will be allowed.

Two-way traffic must be restored no later than 4:00 p.m. on each workday and may not be disrupted before 7:00 a.m. of each workday. However, the contractor may begin work at 7:00 a.m. and continue until 5:30 p.m., as long as traffic flow is maintained during these extended hours. At a minimum, one-way traffic must always be maintained.

## **6. TEMPORARY CONTROLS AND SERVICES**

It shall be the contractor's responsibility to provide all temporary controls and services relative to the project, which they feel is necessary including but not limited to, water, solid waste, electricity, telephone, sanitary, lighting and vermin control. Additionally, erosion and sedimentation control and prevention shall be the contractor's responsibility and will be of critical importance to the owner.

## **7. FINAL CLEANING**

Upon completion of all work items, it shall be the contractor's final responsibility to remove all waste materials, debris, and rubbish from the site, and dispose of all in a legal, environmentally safe, and legitimate manner.

## **8. WARRANTY**

The contractor shall warrant their work for a period of one year from the time of final completion from all defects due to faulty materials or workmanship, and the contractor shall promptly make such corrections as may be necessary by reason of such defect. The owner will give notice of observed defects with reasonable promptness.

## **9. NO PAYMENT FOR DELAY**

No extra payment shall be made for delay beyond the control of the contractor or owner (i.e., weather, war, strike, etc.) However, additional contract time may be granted upon approval by the owner.

## **10. LIQUIDATED DAMAGES**

The bid and agreement contain a paragraph specifying the contract time stated as a number of consecutive calendar days following execution of the contract, and the dollar amount of liquidated damages to be paid to the owner for each calendar day beyond the specified completion period that the work remains uncompleted.

The date of beginning and the contract time for the work are essential conditions of the contract documents and the work embraced shall be commenced on the date specified in the notice of proceed.

The contractor will proceed with the work at such a rate of progress to insure final completion within the contract time. It is expressly understood and agreed, by and between the contractor and the owner, that the contract time for the completion of the work described herein is a reasonable time, taking into consideration the average climatic and economic conditions and other factors prevailing in the locality of the work.

If the contractor shall fail to fully complete the work within the contract time, or extension of time granted by the owner, then the contractor will pay the owner the amount for liquidated damages as specified in the bid and agreement for each calendar day that the contractor shall be in default after the time stipulated in the bid and agreement.

## **11. PERFORMANCE/PAYMENT BOND**

The contractor shall furnish performance/payment bond, in an amount at least equal to the contract price, a security for the faithful performance/payment of all contractor's obligation under the contract documents. This bond shall remain in effect at least one (1) year after the date when final payment becomes due, except as otherwise provided by Law or Regulations or by the contract documents. All bonds shall be in the forms prescribed by law or regulations or by the contract documents and executed by such sureties as are named in current list of "companies holding certificates of authority as acceptable sureties on Federal bonds and as acceptable reinsuring companies"; as published in circular 570 (amended) by the Audit Staff Bureau of Accounts, U.S. Treasury Department. All bonds signed by an agent must be accompanied by a certified copy of the authority to act.

If the surety of any bond furnished by a contractor is declared a bankrupt or becomes insolvent or its right to do business is terminated in any State where any part of the project is located or it ceases to meet the requirements of the preceding paragraph, the contractor shall within five (5) days thereafter substitute another bond and surety, both of which must be acceptable to the owner.

As an alternative to the payment/performance bond specified, the contractor may provide the Town with a passbook savings account, certificate of deposit, or cash. Any of the above

shall place the Town of Pelham, NH as its sole beneficiary. The use of any of the bond alternatives is at the discretion of the Town alone.

## 12. INSURANCE

The contractor shall purchase and maintain such comprehensive general liability and other insurance as is appropriate for the work being performed. The insurance shall include the specific coverages and be written for not less than the limits of liability and coverages identified or required by law, whichever is greater. All policies shall contain a provision that the coverage will not be cancelled, changed or renewal refused until thirty (30) day written notice is given to the owner. All insurance shall remain in effect until final payment. Certifications from the insurance carrier shall be submitted in three (3) copies and shall state the type of coverage, limits of liability, and expiration date.

The limits of liability for the liability insurance required shall provide coverage for not less than the following amounts or greater where required by law.

Workman's Compensation	\$100,000	(each accident)
And Employee's Liability	\$500,000	(disease policy limit)
	\$100,000	(disease each employee)

(Comprehensive premises Operations, explosion Productions, contractual Independent contractors, Board form property damage, Personal injury)		(each occurrence)
	\$1,000,000	(B.I. & P.D. comb)
		(aggregate)

## 13. SUB-SURFACE CONDITIONS

Determination of sub-surface conditions is the sole responsibility of the contractor. The owner will make no determination regarding the existence or lack thereof bedrock, ledge, groundwater, utilities etc. It shall be the contractor's responsibility to satisfy themselves

as to the existence, extent, and location of any and all subsurface conditions which might affect the design and the works.

#### **14. WASTE MATERIAL DISPOSAL**

The contractor shall be responsible for the disposal of all waste products resulting from the work. All materials shall be removed from the site and disposed of in an environmentally safe manner consistent with all applicable Local, State, and Federal laws.

#### **15. ATTORNEY'S FEES AND COSTS**

The contractor agrees to indemnify the Town from any and all liability, loss or damage including but not limited to bodily injury, illness, death or property damage, which the contractor becomes legally obligated to pay, including reasonable attorney's fees, investigative and discovery costs, court costs, as a result of claims, demands, costs, or judgements against the Town arising out of this agreement, caused by or arising out of the negligence, fault, breach of warranty, produce liability or strict liability of the contractor, and/or third parties, whether such negligence, fault, breach of warranty, products liability or strict liability is dole, joint or several.
