

Part B. BID PRICES

Notes

1. All prices shall be written in ink. Unit prices shall be written in words and figures. In the case of discrepancy, the amount in words shall govern.
2. All prices shall include the price of all the labor, equipment and material required for carrying out the work in accordance with the Contract Documents.
3. Items which are not bid shall be marked "No Bid".
4. The quantities of work as given for each item in the proposal are only approximate and are assumed only for the comparison of proposals. The successful low bid shall be determined by the bid unit item cost and approximate quantity. All items will be awarded as one contract.
