Re: 2021 Highway Department Bid Recommendations

The following are my recommendations for the Highway Bid Awards:

1. **AGGREGATES:**

- a. 2" – 4" Stone to Continental Paving Inc., they are the low bidder at \$9.00 a ton picked-up in their yard and \$13.00 a ton delivered to our yard. Which is \$5.75 a ton cheaper than last year.
- b. 1 ½" & ¾" Stone to Continental Paving Inc., they are the low bidder at \$11.00 a ton picked-up at their yard & \$15.00 a ton delivered, which is \$2.00 a ton less than last year picked-up in their yard.
- c. Erosion Stone 3"-6" to Continental Paving Inc., for \$9.00 a ton picked-up at their yard & \$13.00 a ton delivered to our yard.
- d. Stone Dust to Continental Paving Inc., for \$11.00 a ton picked-up at their yard, even though they are \$1.10 more they are the closet for travel time, and they are the same for delivery to our yard at \$16.00 a ton.
- e. Clean Fill to P.J. Keating Company, for \$3.00 a ton picked-up at their yard and \$7.50 a ton delivered to our yard.
- f. 1 ½" Crushed Gravel to Continental Paving Inc., for \$7.50 a ton picked-up at their yard and \$11.50 a ton delivered to our yard.
- g. ¾" Crushed Gravel to Continental Paving Inc., for \$7.50 a ton picked-up at their yard and \$11.50 a ton delivered to our yard.
- h. ¾" Crushed Gravel RAP Base (asphalt) Continental Paving, Inc., for \$8.00 a ton picked-up at their yard and \$12.00 a ton delivered to our yard. They were not the lowest bidder, but they have a much better product.

2. **SAND:**

- a. Award to Continental Paving, Inc., delivered to our yard \$16.00 a ton and \$11.00 a ton picked-up at their yard, this is .35 cents more than the lowest bidder, but they gave me a sample of their sand and the lowest bidder did not as required with their bid.

3. **CALCIUM CHLORIDE FLAKES:**

- a. Awarded to White Cap, \$618.00 a ton picked-up & \$618.00 a ton with Free delivery to our yard.

4. **PLOW BLADES:**

- a. Award to Jordan Equipment Co., they came in the lowest on Plow Blades.

5. **CULVERT PIPE:**

- a. Award to Everett J. Prescott Inc., who was the only bidder.

6. **HOT TOP & COLD PATCH:**

- a. Lowest bidder was Continental Paving, Inc., but would like the option to use Brox Industries, Inc., when Continental Paving, Inc., is extremely busy with long lines.

7. **COLD PATCH:**

- a. **NO BIDS**

8. **HIGH PERFORMANCE COLD PATCH:**

- a. Brox Industries, Inc., was the lowest bidder.

9. **CONCRETE BLOCKS & BRICKS:**

- a. Award to Hudson Quarry, who was the only bidder. This is an increase of .06 cent from 2020.

10. **PAINTING TRAFFIC LINES:**

- a. Award to Marking Inc., even though they were not the low bidder, they are dependable, we have used them many times before and were very happy. They came in \$643.30 more, than K5, which in the past we have had scheduling issues the last two times we used them.

11. **CATCH BASIN CLEANING:**

- a. Our lowest bidder was, Leo Vigeant Co. Inc., for \$17.47 per catch-basin. There is no increase from 2020.

12. **TREE REMOVAL:**

- a. Maple Leaf Tree Service, who was our only bidder.

13. **EQUIPMENT RENTAL WITH OPERATOR:**

- a. Award to Richard D. Vinal Trucking Inc., who is lowest bidder on ALL equipment. He went up slightly on pricing since 2020.

14. **SWEEPING:**

- a. Award to Immaculate Power Sweeping, with a \$3.00 increase from 2020 and no travel charge.

15. **SIGNS AND RELATED ITEMS:**

- a. **NO BIDS**
