Review of meeting minutes:

We were unable to review minutes due to a printing issue. June 28th minutes will be reviewed at the September 6th meeting.

General Discussion:

The committee has decided that they would like to proceed with roughly a 3 mile OHRV trail system off of Tower Hill rd. There is a parking lot that was previously created for logging that would be suitable for vehicle and their trailers.

Mike Gendreau presented a letter that the committee would like to send to the board of selectmen for review. The committee is in agreement with the letter. Jason Croteau will forward letter to the Select Board.

Discussion finalizing parks and recs involvement to give to Brian Johnson for review. The committee will be presenting a memorandum to review next meeting.

Discussion on a mitigation plan and Bi-weekly maintenance to be done by volunteers.

Discussion on possibly hiring Mark West Environmental services to go over the potential trail system.

Mike Gendreau is asking Conservation Committee to place OHRV on the agenda for their September 14th meeting to go over the rough draft of what possibly might go on the ballot in March.

Jason Croteau will ask Police and Fire for their input and possibly attend the next meeting on September 6th.

Brian Bishop left the meeting early therefore the roll call for adjournment is only 5 not the 6 that opened the meeting.

Motion to adjourn made by Mike Gendreau and seconded by Mike Andre
